SAFETY FOOTWEAR SPECIALISTS

Innovation and product development are at the core of our company philosophy, consistently introducing cutting-edge technologies and materials to enhance the safety and comfort of our footwear. This commitment allows us to offer the latest advancements in safety footwear at competitive prices.

16+ YEARS TRIED & TESTED

As a supplier we understand that our service impacts your business and we take this responsibility seriously. **DOT Safety Footwear** provides consistent pricing, quality and stock holding. As a division of The DOT Group, we've been distributing millions of safety footwear throughout 12 countries, via our extensive network of distributors.
